SUMMARY

Backend Developer Intern with hands-on experience in building scalable ERP/CRM systems. Skilled in developing RESTful APIs, designing MongoDB schemas, and implementing authentication using JWT and OTP. Strong foundation in SQL and NoSQL databases with a focus on backend architecture and real-world problem solving. Eager to contribute to backend or full-stack development in a growth-oriented organization.

SKILLS

- Proficient in Programming Languages such as : JavaScript | Python | Java
- Frontend Technologies : HTML | CSS | JavaScript | React | Tailwind CSS
- Backend Technologies : Node.js | Express.js
- Knowledge of Database such as : MYSQL | MongoDB
- Development Tools & Platforms : Git | GitHub | Postman | VS Code
- Analytical Skills : Communication | Problem-Solving | Teamwork.

EXPERIENCE

- **Node.js Backend Developer Intern** Dec 2025 – March 2026
Talentrise Technokrate Pvt. Ltd , Nagpur
 - Worked on a live Project ERP/CRM system “Softwave-Technify” for affiliate-based lead management
 - Developed RESTful APIs using Node.js and Express.js
 - Designed MongoDB schemas using Mongoose (User, Admin Modules)
 - Implemented authentication using JWT and OTP-based login system
 - Built role-based system (Admin, Vendor, Agent)
 - Integrated Cloudinary for KYC document uploads
 - Used Joi for data validation and Nodemailer for email notifications

PROJECTS

- **Book – Store**
Developed a full-stack Book Store application using the MERN stack with secure user authentication using bcrypt.js for password hashing. Built a responsive and clean UI using React, Tailwind CSS, and Daisy UI. Implemented REST APIs with Node.js and Express.js for user login/signup and book management. Added access control where free books are available to all users, while paid books are accessible only to logged-in users.
- **Hotels - Listings - Hub**
Developed a full-stack hotel listing platform using HTML, CSS, JavaScript, Bootstrap, EJS, Node.js, and Express.js. Implemented MongoDB for data storage and Passport for authentication and authorization. Followed MVC architecture and integrated Joi validation for secure and reliable form data handling. Features include user signUp/signin,signout hotel CRUD operations, and responsive UI design for seamless user experience. Demonstrated hands-on experience in backend development, server-side rendering, API integration, and secure authentication.

EDUCATION

R. C .Patel IMRD – Shirpur Under NMU

MCA (Aug 2023 – July 2025)

Pratap College Amalner Under NMU

B.SC Computer Science(Aug 2020 – May 2023)

Pratap College Amalner

Higher Secondary Education (Feb – 2020)

G .S .High School Amalner

Secondary School Certificate (March – 2018)

Shirpur – Dhule

CGPA – 8.98 (74.83%)

Amalner - Jalgaon

CGPA – 8.49 (71.37%)

Amalner – Jalgaon

Percentage -69.08%

Amalner - Jalgaon

Percentage -79.80%
